

Converts from a tote bag to a booster!

WIN IT!
See p. 6

1

12+ months

1 With room to stow diapers and other necessities, this booster couldn't be easier to take along wherever you eat out—plus, it's height adjustable.

Munchkin Travel Booster Seat, \$25, target.com

2 This lightweight fork-and-spoon set includes a case, so kid-size flatware is always clean and handy.

The First Years Take & Toss Toddler Flatware Travel Set, \$3, babiesrus.com

2

3 Virtually indestructible stainless steel containers make ideal snack storage for toddlers who like to toss!

Kids Konserve Round Food Containers, \$19 for 2, kidskonserve.com

3

4

4 This incident-proof sippy cup is great for restaurants: The straw top doesn't leak whether it's open or closed, but it comes off easily for washing.

Munchkin Stainless Steel Straw Cup in Pink, \$13, amazon.com

5 Be prepared for impromptu meals out. This kit contains a disposable place mat and bib plus other important extras. It can even double as a diaper clutch.

Bella Tunno Oopsie Ditty in Polka Dot Princess, \$35, bellatunno.com

5

TIP It's OK to encourage your toddler to snack. Kids that age have tiny stomachs, which means they can't get all they need in three meals a day. Grazing is healthy if the between-meal foods are nutritious.
