## 11 Lunch Boxes Kids Will Want to Flaunt

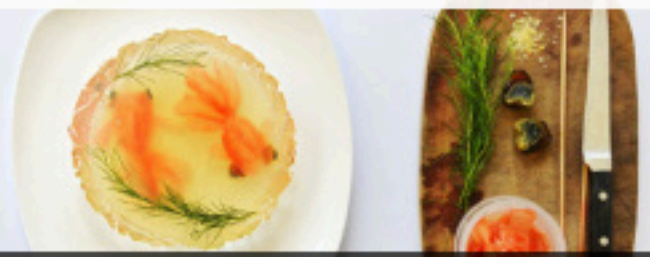

### Kids Konserve Waste-Free Lunch Kit

Here's another fabulous lunch kit that includes a handful of components that can be purchased individually for a custom set—but why mess with a beautiful thing? Each lunch kit, made mostly of recycled materials, includes a cotton sack, velcro snack wrapper, water bottle, stainless steel containers and cloth napkin—all beautifully coordinated. Our eight year old selves are green with envy. (kits starting at \$29.95)
